How does this all work?

Home

Using the Quick View menu tabs:

**Current Account Status**
lets you view your current balance, and has clickable links to view the Recent Account Activity page and to make a payment.

**eBills**
lets you view your billed amount due, and has clickable links to bring you to your latest bill and to make a payment.

**Recent Payments and Credits**
lets you view the few most recent payments or credits applied to your student bill, and has a clickable link to view your Payment History page, where you can generate a report showing all transactions, or specific types and date ranges.

**Quick View**
Under the navigation bar, see your three page options:

**Make a Payment**
lets you view your account balance, as well as the amount that is due now. This page also has clickable links to view or pay your bill.

**Payment History**
lets you generate a report after setting parameters for the information you wish to include. View all transactions, specific types of transactions, or transactions from a certain range of dates.

**Automatic Bill Pay**
lets you set up recurring monthly payments of your student bill. Details of this service are provided on this page– please read carefully before signing up. This page also includes a clickable link to your Payment Profiles.

**Payment History**
lets you view your profile information.

**Payment Profile**
lets you view your saved Payment Profiles. This is also where you can delete your saved profiles and set up new ones. Please note that it is not possible to edit a profile. You must delete the incorrect profile and save a new one (please do not reuse the name of the previous profile).

Here’s the order...

Register for classes
Tuition is charged on your account
Scholarships and Aid are added to your account
Classes Start
Bills are sent - Notice sent to your ONID email to view what’s due at myBill.oregonstate.edu
Pay your account in full by the end of the month to avoid interest charges

Do you have questions about the payment process?
Here is information that addresses the most common issues:

You must use your bank account number, and bank routing number to make a payment. The number on your debit card is not your bank account number. If you cannot find your bank account number, please contact your bank.

During the payment process, the payment amount will automatically populate with your current account balance. If you wish to pay a different amount, you may change it. Please double check the amount showing before submitting your payment, it may have reverted to the total again!

**Student Finance Office – we’re here to help.**
