Web Departmental Deposit

Oregon State University Business Affairs
Introduction

Web departmental deposits are batch deposits that can be submitted electronically using the TouchNet Cashiering Operations Center. This allows you to quickly and easily submit your deposits to the Cashiers. It also allows for better tracking of deposits for your department.

Web departmental deposits can include:
- Cash – includes currency and coin.
- Paper checks – includes checks, money orders, and cashiers’ checks.
- Bank deposits (deposits already made at the bank) – includes ACHs, direct deposits, and wire transfers.
- Credit card settlements – batch settlements.
