Co-op Recycling Center

Open seven days a week
9am – dusk

Staffed from
9am – 4pm

We accept an assortment of items that you cannot put in your curbside recycling carts and provide an option for those who do not have that service.

Together we can stop making more landfills and start making something out of our waste!
WHAT WE CAN RECYCLE
STYROFOAM & MOLDED FOAM

Must be clean & dry

Other Names

WHAT WE CAN RECYCLE
FREEZER BOARD CONTAINERS

Restrictions
Must be clean and dry
WHAT WE CAN RECYCLE
EVERYTHING ELSE

• Shrink Wrap
• Convoluted or Egg Crate Foam
• Natural Corks
• Bubble Wrap for Re-use

Provided by Republic Services
• Co-mingled
• Glass
WHERE IT ALL GOES

• Shrink wrap and molded foam goes up to Agriplas where it gets turned back into oil!

• Metal scrap is taken to Burchams Metals in Albany to be recycled. We collect about $80 a load and donate it to the recycle center.

• Egg crate foam is delivered to the Foam Shop in town.

• Natural cork is picked up by Cork Forest Alliance to be reused as flooring tiles, insulation, and packaging material.
WHERE IT ALL GOES

• Wood scrap, co-mingled bin and glass bins are picked up by Republic Services.

• Expanded Polystyrene is sent to St. Vinnie’s where it is densified and sold to brokers.

• Freezer board type containers get turned into pulp at the International Paper Recycling Facility in Eugene and sold domestically.
WHO WE ARE

As stewards of our planet, we must do everything we can to prevent waste and conserve resources.

We have recycling team members who are available to help you and answer your questions!
When you arrive, you can go to Customer Service in the store or check the Recycle Center and find the recycler on duty.
