Our Vision

Corvallis is a community in which the needs of the present are met without compromising the ability of future generations to meet their own needs. It is a flourishing and thriving city with a vibrant economy that respects, restores, and cares for the community of life.
To promote an ecologically, socially, and economically healthy city and county.
Sustainability Guiding Objectives
(based on the Natural Step system conditions for a sustainable society)
Community Sustainability Action Plan

- Developed in 2008, revised in 2013
- A framework for action
- Addresses 12 topic areas
Community Inclusion
Economic Vitality
Education
Energy
Food
Land Use
Natural Areas

Growing the power for a secure future

A campaign to accelerate solar development in Corvallis
GOALS: More than double our current solar output

- Current solar coverage = 4.2 MW = 840 rooftops
- 1-year Goal (2016) = 300 additional residential + 100 commercial/municipal rooftops
- 5-year Goal = 10 MW = 2,000 rooftops
A campaign to accelerate solar development in Corvallis

>>> Make solar affordable
- Get: Timely interest-free loan
- Give: Making loans and/or earning interest
Sustainability Fair & Town Hall

Thursday, March 9 – Alumni Center

5:00 pm  Sustainability Fair / 7:00 pm  Town Hall
TOWN HALL 2017

“Traditional Ecological Knowledge: Lessons for a Sustainable Future”

Keynote speaker:
Dr. Samantha Chisholm Hatfield

Coming soon!

Easily find local places that:

1. Accept donations of reusable items to resell or donate to the public; and,
2. Accept and repair items.
## WASTE PREVENTION

### Community Newsletter RRR Messages

### Example Messages

<table>
<thead>
<tr>
<th>Category</th>
<th>Message</th>
</tr>
</thead>
</table>
| Pet Ownership          | - Reuse cereal box liner bags for disposing of spent kitty litter
                        | - Reuse newspaper delivery bags for dog poop clean-up
                        | - Purchase kitty litter & pet food in bulk; BYO reusable containers
                        | - Seek out less-toxic alternatives to chemical flea treatments
                        | - Compost your rabbit, hamster & guinea pig droppings at home *(Please do NOT compost cat, dog or bird waste = it's hazardous!)* |
| School Clean-outs, June | - For OSU on-campus residents, call 541-73R-CYCL for pick-ups
                        | - If clothing fits, keep it for next year -- don't worry about trends
                        | - Plan ahead; donate unwanted goods to schools or charity
                        | - Donate non-perishable foods to a local food bank |
| School Lunches         | - Reuse sturdy containers from home with tight lids
                        | - Avoid overpackaged pre-made lunches; homemade costs less!
                        | - Stick a cloth napkin into their lunches
                        | - Wash and reuse plastic utensils until they break, or buy a few pre-owned metal utensils just for kid's lunches
                        | - Ask kiddo to bring home what's not eaten & compost it at home |
| School Shopping, Fall  | - Use up last year's folders and half-used pencils if still good
                        | - If clothes still fit, keep wearing them -- don't worry about trends
                        | - Use up last year's leftover notebooks -- just tear out used pages
                        | - Shop for pre-owned clothing first; saves money, too! |
| Spring Cleaning        | - **Cleaning out your garage or living space? Remember to sort into these categories:** recyclable, reusable, hazardous, and trash
                        | - Recycle at curb, Republic Srvcs, or First Alternative Co-op South
                        | - Place with a "free" sign at the curb or donate to local resale shop
                        | - Take hazardous waste to Republic Services 1/4ly collection event
                        | - Only put it out as "trash" only if it truly has no useful life left |
| Traveling              | - Bring a bag for car waste & sort recyclables out upon your return
                        | - Bring a smaller cooler with your own snacks instead of buying overpackaged, overpriced snacks from convenience stores
                        | - For driving, bring your own reusable beverage bottle
                        | - For airplanes, bring along your own empty reusable water bottle and fill it at a drinking fountain once you clear airport security |
| Unwanted Stuff         | - Donate your unwanted, reusable items in good condition
                        | - Sell or give away unwanted items on www.craigslist.org
                        | - Place an unwanted item at your curb with a "free" sign -- see how fast it disappears! (but remove if not taken, please) |
| Valentine's Day        | - Make homemade school valentines using large sheets of paper and paint -- cut into individual 3" x 3" valentines & personalize!
                        | - Cook dinner for your Valentine instead of buying him/her "stuff" |
| Weddings               | - Homemade wedding favors are even more special--be creative!
                        | - Celebrate the marriage not the wedding, by not going overboard
                        | - Support your local rental store instead of buying for one-time use
                        | - Consider purchasing a pre-owned wedding dress |
