Year-End Close Preparation

- FAR YEC Planning begins in late March and runs through April.
- FAR coordinates with other CU units to develop the YEC plan and timeline.
- Major Deadlines are finalized and distributed the first week of May.
- YEC Instructions will be posted by mid-May.
- Two YEC training sessions are scheduled in first week of May with FAR and AP presenting.
Period 12 and Period 14 close dates will be July 8th and July 22nd, respectively.

FAR is evaluating accrual thresholds and we anticipate increasing them for FY24.
