

**2015-16 CUPA Administrators in Higher Education Salary Survey** OSU equivalent position salaries for Fall, 2016  
**Fall, 2015 Salaries** (the orange box shows OSU salary for that job)

This is for doctoral institutions--these award more than 20 doctoral degrees a year. OSU is at the larger end of those institutions (we award over 300 doctorates a year) so that would push our salaries to the high side. The ranges include public (158) and private (83) doctoral institutions. Private institutions tend to have higher salaries for the same job at a similar sized public institution.
