(1) Charges are the same for resident and non-resident students; charges also apply to Summer 2019.

(2) A one time Matriculation Fee of \$350 is assessed to all new and transfer degree seeking undergraduate and graduate students.

(3) College of Business and College of Engineering students are charged a differential in addition to the regular tuition. The above lists current tuition and fees for business and engineering majors who take Ecampus courses (in any subject).

(4) Rates for non-professional CS courses including CS 101, CS 195, CS 199, CS 162 and CS 391:

-Students in the CS post-baccalaureate program are charged at pre- or professional-engineering rates depending on level.

-Engineering majors on Corvallis or Cascades campus are charged Engineering rates based on pre- or pro-engineering standing.

-No-engineering majors, including non-degree seeking students, are charged the regular undergraduate rates.

(5) For professional CS courses:

-Engineering majors on Corvallis or Cascades campus are charged Engineering rates based on pre- or pro-engineering standing.

-Other non-engineering majors, non-degree seeking students, and students admitted to the computer science post-baccalaureate program are charged the computer science post-baccalaureate rates.
