1) Welcome and Introduce Dr. Carina Buzo Tipton, Ph.D.

2) Shared Learning – Foundations for Diversity, Equity, and Inclusion: Social Identity & Socialization
   - The committee members were asked to engage in pre-work for this meeting by watching a video explaining social identities and the cycle of socialization. There were key concept documents/exercises that accompanied the video to help prepare for today’s meeting.
   - Dr. Buzo Tipton engaged everyone in discussion and activities that drew upon the concepts detailed in the video. There was small group scenario practice, and the group members stayed the same for both small group discussions to support continuity. The co-chairs designated small group leaders ahead of the meeting to ensure everyone had equal shared time and to keep the discussion on schedule.
   - The large group discussion and the meeting was wrapped up by Dr. Buzo Tipton giving everyone a chance to share out and final thoughts on these important topics.

3) Next Steps
   - The Nov. 16 meeting will be in person and the meeting will be dedicated to sub-committee share outs. Look for calendar updates to room location.
   - The NAACP Freedom Fund Celebration 2023 “Elevating Community” is on Sat. Nov. 4 at the Corvallis Museum. All are encouraged to attend. Mike Green has generously offered to reimburse the ticket cost to committee members who attend.
